## Rooster Editorial

Where has this year gone? It only seems like yesterday that I sat down to pen last year's editorial. It's really great that the Rooster is still appearing each month and thanks must go to all involved especially our band of deliverers who brave all weathers to deliver it each month. As you can see we have pushed the boat out to produce a colour edition which is bigger than normal and contains some different articles and even some light hearted quizzes.

The first concert featuring the restored church organ was a great success raising nearly £1000 for much needed church improvements. On the subject of our church we hope to see lots of you at the Christmas services where we will have a temporary heating system to make the church a more comfortable place to enjoy the festive season.

The Harvest festival auction at the Black Horse was a great night and raised lots of money for local charities, thanks to Steph and Paul and of course our great Auctioneers who persuaded me to buy some "Marrows" I am still using up!! Finally apparently the Auction Gavel has reappeared after its mysterious disappearance!!

## All Saints' Church Roos

When was the last time you said hello to the person living next door to you?  
 Yesterday..... the day before..... a week ago..... longer?  
 What about the person who lives in the house beyond that?  
 Roos village will have lots of lonely people this Christmas. Some are too ill or too old to go out. Some have no transport.  
 Some will not have spoken to anyone all week  
 Jesus said love your neighbour.  
 So go and see your neighbours.....  
 .....bring some Christmas Joy and goodwill into their lives  
 Make a difference into the lives of the lonely of Roos and our local area this Christmas.  
 And on behalf of All Saints' Church, Roos, Withernsea Benefice, South Holderness Deanery and the Church of England, I wish everyone in Roos and the local area a very merry Christmas and a happy and peaceful New Year.  
 Rev. Martin

## Farmyard Bingo in Roos

In March 2007, a group of ladies from Roos WI started a Farmyard Bingo evening  
 Our aim was to bring all ages of the village together. No thought was given to making a profit, as long as we could cover costs.  
 To our great surprise and delight it soon became apparent that we were making a profit.  
 We decided that as the bingo was well supported by villagers, it would be good to donate the money back to village based organisations.  
 To date we have given more than £10,000 back to local groups ranging from young to old, church to memorial hall and sporting and leisure activities. Many thanks to our team of volunteers and every one who has supported us over the years.

Our next bingo is     December 13th - chocolate  
                                    January 10th - Mixed meat

## Woodland Group Roos

The work that the Roos Woodland Group has achieved in the past four years is gradually coming to fruition. The hedgerows, copses and orchard trees, that have been funded to plant through the wind farm grants, are settling into maturity. We continue to work with a number of landowners around the village to gap up hedges, providing wildlife and humans alike with an enriched environment. Perhaps our most obvious planting is on the village green - a new hedge augmented with Rowan and Mulberry trees. Further afield, a few dozen orchard trees on the road towards Hilston now top two metres and our most local apple, the Hornsea Herring, has cropped well. This year, group members Madge Moore, Louise and Sandra Baker have produced dozens of herbaceous plants that we have sold both here in Roos and at the Withernsea Light House that has brought in over £300. We are a small group and are always happy to welcome new members - we meet rarely but enjoy trips out to look after our plants, and enjoy a pint or two of home made cider. We have been happy to welcome Heather Kelly into our midst who joins as our new Secretary, and if you would like to join us please drop me an email to [bakerg40@gmail.com](mailto:bakerg40@gmail.com) or text me on 07791519467

## Roos Village Store

We are changing our opening hours slightly. The shop will be closing at 2pm on Mondays. Monday afternoon has always been very quiet, so we are closing for the winter months at first and will review things in the spring and decide whether to return to a 7pm close for the lighter nights.

## Carol Singing Pepper Cake

In Yorkshire, these spicy cakes were traditionally given to carol singers. Cakes such as these were known as "pepper cakes"; not because they contained pepper, but because the spices were imported from the Far East, where lands were known collectively as the 'pepper countries': (I'm still in lbs and ozs not gms)

- 1 ½ lbs of flour
- ½ tsp ground cinnamon
- 8 oz butter
- 1 ½ lbs black treacle
- 8 oz dark soft brown sugar 4 eggs, beaten
- 1 tsp ground cloves
- 1 tsp bicarb soda
- ½ tsp ground ginger
- 4 tbsp milk

Set oven to gas mark 3, 325f or 160c fan. In a bowl, rub the butter into the flour to resemble fine breadcrumbs. Add the sugar and spices. Put the treacle in a small pan and heat gently until melted, **but not hot**, or the eggs will curdle. Mix into the dry ingredients with the beaten eggs. Mix the bicarb with the milk until dissolved and stir into the mixture, beating well. Pour the mixture into a greased and lined roasting tin about 10" x 14", spread out evenly and bake for approx. 1 ¾ hours. Cool in the tin for 15 mins then turn out onto a cooling rack. Cut into slices when serving. Store in an air tight tin for a few days before eating to allow the flavours to develop.

### Turkey Leftovers

I am always asked at this time of year what to do with leftover Turkey and once I have said just buy the right size and make sandwiches I start to think of some uses for my least favourite meat!

First point though is food safety, don't leave the cooked bird on the sideboard all afternoon, keep it in a cool place and remove all the meat as soon as possible and once it is cold, place in a covered dish in the fridge.

Leftover meat should be eaten within 2 days.

Instead of coronation chicken substitute turkey.

Make or buy a curry sauce and stir the meat in at the last minute once the sauce is hot and don't overcook, just enough to warm the meat.

### Turkey tortillas

- flour tortillas
- a good tomato pasta sauce
- cooked turkey
- grated cheese

Spread some pasta sauce on a tortilla (not too much)

Add the turkey and cover with some grated cheese (try different varieties rather than just a simple cheddar).

Bake or grill till cheese is golden brown.

You can add other items such as peppers, mushrooms and onions as well

## Roos WI Meeting Date 2<sup>nd</sup> November 2016

The Annual General Meeting was held on 2<sup>nd</sup> November, but before the meeting commenced we focused on the serious matter of saving a life. Harry Gregg the Community First Responder and Community Responder Co-ordinator gave an interesting demonstration on how to give resuscitation to a person suffering from a heart attack. He stressed that we must always ring 999 in a life threatening situation to ensure help is on its way, ringing also activates the first responder. He informed us that the community defibrillator is at Roos school. The code to access the defibrillator is given by Yorkshire Ambulance service. Dot Walker gave the vote of thanks and invited Harry to be the judge of the monthly competitions.

After refreshments, the AGM took place, a review of finance as well as the committee and president's report was heard. The members voted Dot Walker in as President for 2017, this is Dot's sixth year.

Both the craft and book club gave their monthly reports, next month's book is the Woolworths Girls by Elaine Everest and the next Craft Club will be taking place at Sunken treasures in Ottringham.

This has been a very busy year for the Roos WI, including celebrating their 95<sup>th</sup> Year, to finish the year off in style we will be hosting the **South Holderness WI Group Christmas Carol Service on the 12<sup>th</sup> December at Roos Church at 7pm**, after the service everyone is welcome to join us for mulled wine and mince pies

Next Roos WI meeting is our Xmas meal at The Nancy in Burton Pidsea on the 7<sup>th</sup> December 2016, 7pm for a 7.30 start. In addition the Book and Craft Club are having a joint Xmas meal at the Burstwick Golf Club on the 21<sup>st</sup> December 2016. (Contact Julie 671908 for more details)

Don't forget Ladies, we start the year with our Pie and Peas Supper 4<sup>th</sup> January at the Roos Institute – contact Joy or Dot to order the 'right' pie.

Roos WI welcomes new members. If you would like to pop along non-members can join us for a free trial just contact Joy (Secretary) on 671321 to find out more information.

### Parish Council Report: November 2016

Parish Council Minutes are published in full on Parish Notice Boards and on the parish website – roosparish.info

#### Emergency Planning

It was reported that revisions to the Emergency Plan were now almost complete. The revised plan will replace that currently lodged with the ERYC, and placed in various locations throughout the parish. An Emergency Plan Box is located in the Memorial Institute and elsewhere.

"Make time for Winter" booklet provides valuable information across a wide range of topics and may be viewed:-

<http://www2.eastriding.gov.uk/environment/roads-streets-traffic-and-parking/winter-services/winter-weather/>

It was reported that salt/grit bins have, or soon will be, stocked up in readiness with supplies in place to enable gritting of pavements as required.

**Grass cutting.** A vacancy has recently arisen and applications are invited from interested parties. It was agreed to place an advertisement in the Rooster.

**Correspondence.** A letter from the Rooster Association requesting the Council to sponsor an issue of the Rooster at a cost of £55 was considered and approved. Several members who were, or had been, associated with the Rooster Association declared an interest.

#### Planning

Erection of a two storey domestic outbuilding following demolition of existing at 'The Chestnuts', Rectory Road, Roos (retrospective application) -16/03043/PLF. Council raised no objection to this application.

Plans and details were received of the ERYC Compulsory Purchase Order for land near Tunstall. This is to enable access and build earthworks for the Coastal Defence Scheme to proceed. This is to prevent seawater flooding of Tunstall/Roos Drain. The required legal notices were recently published in the local press.

**Treasurers Report.** Routine payments were approved, including £100 for the 'Poppy Appeal'.

#### Any Other Business

It was reported that:

- The ERYC were consolidating their management of wind farm community funds across the county. Consequently it is likely that ERYC representation on the Tedder Hill funding panel will change with a further Ward Councillor replacing the existing ERYC Officer member.
- Following enquiries it was noted that a lap-top computer, projector and screen will be required to view material, such as Planning Applications, which are no longer supplied in 'hard copy' by the ERYC. It was noted that WI-FI access would be a useful addition to services in the village.
- Christmas Tree. It was agreed to progress installation of a tree at the customary location.

#### Public Session.

Dog fouling. Attention was drawn to the ongoing problem of dog owners not clearing up. However, it was noted that without evidence it was difficult to take the matter further.

"What is the 'Emergency Plan?'" A brief explanation was given, but the query highlighted the need to make information about the plan more readily available across the parish.
