

Coastal Opportunities Gateway (COG)

Village Drop-in Sessions

Do you have ideas for how to make your village a better place in which to live, work or spend free time?

Can you help your village to benefit from the opening of the England Coast Path in 2018, and to make the most of its unique position on the spectacular East Coast?

If so, please join us as we discuss ways of spending new grant money in Skipsea, Aldbrough, Tunstall, Easington and Kilnsea.

There is no need to book; simply call in and chat to us over a cuppa.
