

Roos & District Horticultural Society held its 77th Annual Summer Show on the 13th July 2019 at Roos Playing Field on wonderful sunny afternoon, a large attendance of people came to see the displays of flowers, vegetables & fruit, flower arrangements, eggs, photography, preserves, bread and cakes, honey, wine, farmers, handicrafts, paintings and children's exhibits.

There were many outstanding exhibits from both adults and children.

The Secretary of the Society Mary Jane Barker thanked everyone for attending the show and then introduced Ms Sandra Ward Head Teacher of Burton Pidsea Primary School to present the cups and trophies and draw the raffle, she was then presented with some flowers. Mary Jane was then thanked for all her hard work in the run up to the show and ensuring the day runs as smoothly as it does.

This year again the show had a Bouncy castle to keep the children entertained during the afternoon with some games. The Dog show organised by Owstwick Country Kennels had a large number of entries and was enjoyed by all and lastly there was a large number of outside stalls for people to browse and support.

During the afternoon the show bar and BBQ did an excellent trade along with the raffle, tombola and cake stalls.

The show have a small dedicated committee that ensure from year to year it continues to grow and they hope it will continue to flourish well into years to come.

The committee would like to thank all the exhibitors for making the show a huge success because without them there would be no show at all. They would also like to thank everyone who came and supported them on the day and hope to see them all again at the Spring Show next year. They would also particularly like to thank all the willing volunteers who helped during the run up to the show and on the show day including everyone who helped to erect and take down the marquees.

Next year the committee will particularly be looking for extra volunteers to join them in organising and helping with the shows due to the small number on the present committee and you would be most welcome to join them at their next meeting if you are interested or at the AGM in February 2020. If you would like any further information about the show, joining the committee, help set up, help on the day or help to clear away please contact the Honorary Show Secretary Mary Jane Barker 01964 670259.
